

AMSAS-CSM

Dear Soldier:

Welcome to the US Army Sustainment Command. Our mission is important and dynamic – to ensure equipment is ready when and where the war fighter needs it. It's an outstanding assignment that's both challenging and extremely rewarding. We are proud of what we do and excited about what we have the potential to do. We believe everyone's contribution is important to our success, and the knowledge and expertise you bring to your position will be an asset to this command

Please fill out DA Form 5434, Sponsorship Program Counseling and Information Sheet, during your installation reassignment briefing and fax it along with a copy of your PCS orders to (309) 782-4254 as soon as possible to the attention of: SFC Bradshaw, George.

Again, welcome to the US Army Sustainment Command, we look forward to serving with you. If you have questions, please contact SFC George Bradshaw, Enlisted Strength Manager, DSN 793-4812 or commercial (309) 782-4812, email george.bradshaw@us.army.mil.
